

YORKTOWN COMMUNITY NUSERY SCHOOL

TRIP PERMISSION SLIP

This trip permission slip is for the **2008-2009** school year. Your signature will allow your child to go on all school trips. The children will walk or travel in parents' cars. Each child will sit in a car seat. Enough seats and supervision are needed for each excursion to ensure the safety of the children.

Although you are not required to be present on every field trip, your support and cooperation are needed in the organization and on the day of each trip in order to make the field trip run safely, smoothly and successfully.

If you do not sign this slip, we will assume you do not wish your child to go on the trips and that you will keep the child at home when a trip is scheduled.
